

# Theraflex Beds

## The Theraflex bed

Theraflex beds are a good option where profiling only beds are required for comfort and minor ailments and where they will only get light use. They have 4 section profiling and sprung beech slats.

The Theraflex bed is available in the following style options

### Theraflex 1

Profiling only divan with half depth surround; regular buttoned padded head board and a luxury pocket sprung mattress (Other mattresses are available).

### Theraflex 2

As above with a full depth surround as shown.

Profiling only (wooden)

Easy to use controller with contrasting buttons

Either of these beds are available in the following sizes

2'6" (76cm) x 6'6" (200cm)	3' (91cm) x 6'6" (200cm)
3'6" (107cm) x 6'6" (200cm)	4' (122cm) x 6'6" (200cm)
4'6" (137cm) x 6'6" (200cm)	5" (137cm) x 6'6" (200cm)

These beds are made to order giving you the opportunity to tell us how you would like them to look.

Often, such a bed as the Theraflex is specified as part of a double combination.
